OFFICE OF GENERAL  
COUNSEL

RE: MUR 6453 Response

Dear Mr. Jordan:

We have received your letter of February 4, 2011 notifying us of the complaint filed against the Missouri Association of REALTORS and its Issues Mobilization Political Action Committee ("IMPAC") for alleged violations of the Federal Election Campaign Act of 1971, as amended ("Act"). As in-house counsel for the association, this matter was referred to me for response. I have enclosed a Statement of Designation of Counsel designating both myself and Charles W. Hatfield, of Stinson Morrison Hecker LLP, to represent the Missouri Association of REALTORS and its Issues Mobilization Political Action Committee in this matter.

It is our position that the FEC has no jurisdiction in this matter because Mr. Sidio's complaint involves matters outside the scope of the Federal Election Campaign Act of 1971, as amended, and that no violation of the Act has occurred.

First, IMPAC is not a political action committee that is covered by the Act. IMPAC does not make "contributions" or "expenditures" within the meaning of those terms as defined in the Act, that is, that are for the purpose of influencing a federal election. It is a standing committee of the Missouri Association of REALTORS. Its purpose, since its inception, is exclusively to accept contributions to support or oppose state and local legislative issues that impact real property in Missouri. It also supports grass roots lobbying and educational efforts related to that purpose. This is clearly established in the IMPAC Bylaws, a copy of which is included with this response. Also included are copies of correspondence and talking points used to explain the purpose of IMPAC to our membership. The emphasis of these communications has been on issues impacting real property in Missouri. IMPAC does not use funds contributed to it in connection with the election of candidates for office at any level (i.e. federal, state, or local).

Additionally, IMPAC is regulated by the Missouri Ethics Commission. An Amended Statement of Committee Organization was filed with that office on July 29, 2009, a copy of which is included. Also included are the most recent Committee Disclosure Reports which itemize IMPAC's receipts, expenses, and debts over the two last years.

Moreover, IMPAC funds have never been, nor will be, used for the support or opposition of candidates for federal office. Use of IMPAC funds in connection with elections of candidates or for any purpose prohibited by federal, state or local law is expressly prohibited by the IMPAC Bylaws. Enclosed are affidavits from several of IMPAC's trustees and the association's CFO attesting to that fact. Also enclosed are the most recent meeting minutes of IMPAC where it is

clearly demonstrated that funds have only been expended on issues related to Missouri ballot measures and operating expenses.

For the reasons stated above, Mr. Sidio's complaint is outside the scope of the Act, and no violation of the Act has occurred. Thank you for your time and consideration of this matter.

Sincerely,

PURPOSE: Form Addendum should be used for explanation of any additional information needed to complete an accurate filing of this report.

Contributions came to the Missouri Association of REALTORS from individuals giving \$100 or less but MAR gave the money to IMPAC in one lump sum of \$323,800 so this was made clear on the contributions recieved page.

The Hawthorn Bank CD that was opened was listed under expenditures instead of investments made this period so that has been fixed as well.

Previously, the Committee was not showing the principal balance of the CD's in the money on hand section. This was done inappropriately in the past by more than one person and is now being rectified in this reprot and all future reports.
